

Fasten The Inner Core

- Slide the inner core over the collar until it reaches the base.
- Secure with a UL 181-rated zip tie.
- Tighten the zip tie with a ratchet tool to ensure a proper seal.

Fasten Insulation and Outer Jacket

- Slide the outer jacket over the lower collar extrusion.
- Secure with a UL 181-rated zip tie.
- Tighten the zip tie with a ratchet tool until it is snug and secure.
